## PROFILE List

### Part 4

profile no. TU1-1046 to AN 1504

## Important informations!

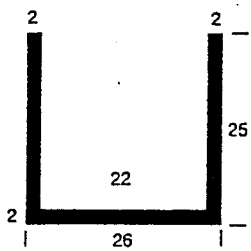

With this profile list we present to you a selection from our wide range assortment. The catalog informs you about kind and size of the profiles, which we manufacture in the context of our production programme.

We want like to point the existence of costumer protection for some profiles out to you.

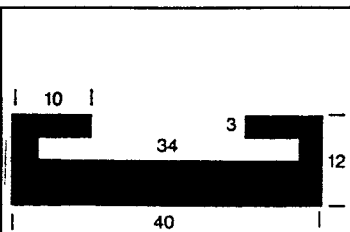

Naturally we manufacture also your profiles from solid rubber, sponge rubber, solid silicone, foam silicone and soft PVC, after drawing or sample.

The abbreviations in front of the profile numbers stand for:
